Perfect weather and an undefeated football team brought a huge crowd of former students to the campus for the N-I's 1947 Roundup. Festivities started with a pepfest at which Don Thorpe, captain of the football team, presided. Homecoming Queen Vivian Huber and her attendants, Mary Lee Marshall and Eleanore Delzer, were presented with merchandise prizes by Range Boss Carl Sand on behalf of the Ellendale merchants. Coach Senn Slemmons was presented with a gold watch by the Lettermen's Club

as a token of appreciation for his 22 years' service to the school. A bonfire and snakedance completed Friday's program.

A parade of 12 floats and many other units started things off on Saturday. Between halves of the game, Carroll Day of the Class of 1926 presided at the coronation ceremony, and after the game he was the principal speaker at the alumni banquet. The celebration ended with a Victory Dance that evening.

# TRACK 1947

Leo Lacher came into his own during the 1947 track season. After smashing all existing high point records and averaging over 26 points per meet in 1946, the big Linton athlete drew reams of praise from sports writers all over the Northwest for his 1947 achievements in the dashes, hurdles, weights, and jumps. Leo had some help from team mates during the season, but the small Dustie squad was always the underdog against such large squads as Jamestown and Northern. Don Porter usually ran second to Leo in the hurdles and Wilfred Bauer was always a threat in the dashes. Jerry Hill in the 880-yard run, Norman Goehner in the mile or two mile runs, and Don Berg in the pole vault placed in most meets.

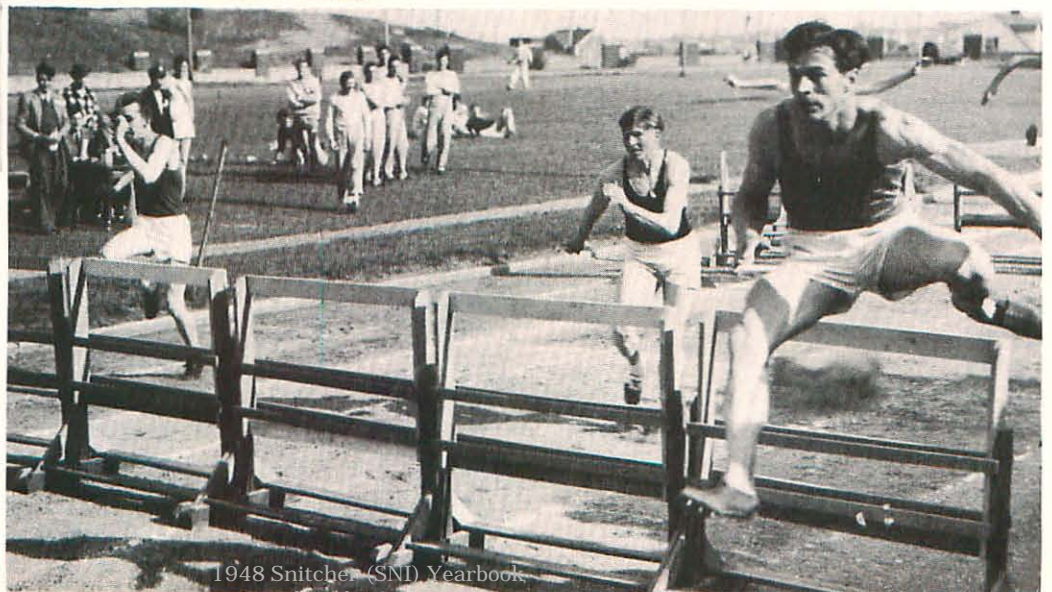

Lacher won the high hurdles and placed second in the century at the Mitchell Relays April 18, then scored 22 points in a triangular meet at Ellendale April 26, in which Jamestown and Northern nosed out the Dusties. In a Jamestown quadrangular May 2, Leo accounted for 25 points in seven events as the Dusties placed second to the Jimmies but ahead of Valley City and Dickinson.

Two records fell to Lacher in the Dakota Pentangular May 10, as Leo set new standards for both hurdles while scoring 19 points. The Dusties finished ahead of Valley City and Huron, but behind Jamestown and Northern. The interstate meet May 17 brought the N-I second place behind Jamestown as Lacher won 19 points. The Dusties' 31½ total placed them ahead of Valley City, Concordia, Wahpeton, and Bismarck Junior College.

The state intercollegiate meet at Fargo found the Dusties placing behind NDAC, Jamestown, and UND, but ahead of Valley City, Wahpeton, and Mayville. Lacher scored 23 points by winning both hurdles and both dashes and landing second in the broad jump. He duplicated that performance in the conference meet for another 23 points, as the Dusties totalled 41½ to place second in the eight-team event. Bauer was second in the 220-yard dash and third in the 100, Porter was second in the high hurdles, Hill ran second in the 880, Goehner was second in the two mile run, and Berg tied for second in the pole vault.

With the Aberdeen Relays going on at the same time as the conference meet, Lacher took to the air to shuttle between Jamestown and Aberdeen. In the relays he placed fourth in the high hurdles, running the event in 15.2 seconds, the best time of his career.

Third row: Glenn Sanders, Harold Wagemann, Fred Bell, Pius Engelhart, Clyde Moore, Willfred Bauer, Clarence Schweigert, Barton Slemmons. Second row: Coach Senn Slemmons, Benny Lematta, William Bauder, Daryl Thorpe, Mark Rybus, Arthur Parrow, Wayne Merrick, Donald Berg, Kenneth Shockman, Coach Wayne Hill. Front row: Charles Trei, Donovan Thorpe, Conrad Juelke, Anthony Davis, William Brown, Eugene Kruger, Raymond Griess, Gerhardt Schaible, Wilbert Thurn, Orrin Morrow, Warren Merrick.

National press dispatches carried the name of the N-I far and wide over the land in 1947 as the Dustie football team caught the fancy of the experts by roaring through their first five opponents before hitting a snag in their final game against the Valley City Vikings. A hard-charging line led by Don and Daryl Thorpe and Mark Rybus, brilliant passing by Don Berg, equally good receiving by Wayne Merrick and Charles Trei, and sensational ball-carrying by Connie Juelke and Gene Kruger highlighted the season's play, but it was all-around squad strength, something that Coach Senn Slemmons seldom has, that earned for the Dusties their reputation as one of the best teams in the Northwest.

In trampling five opponents, the Dusties ran up 167 points against 28, defeating Bismarck Junior College 38 to 0, Dickinson Teachers 35 to 16, Jamestown College 19 to 0, Mayville Teachers 43 to 6, and Wahpeton Science 32 to 6 to set the stage for a "natural" in the final game against the Vikings. Although the N-I was favored to win the conference championship and remain in the nation's undefeated ranks, the Vikings turned in an upset by striking for two quick first-quarter touchdowns and then staving off five Dustie surges in the last three periods as the N-I got all the tough breaks that could befall a team in one afternoon. Valley City lost to Minot the next week but won the loop title, while the Dusties and the Beavers tied for second place.

After their initial victory over BJC, the Dusties opened their conference season at Dickinson successfully, and then struck three times in the first half against Jamestown. Juelke ran the opening kickoff 95 yards to a touchdown against the Comets and the Dusties went on from there to run wild before an enthusiastic Homecoming throng. The next week they tagged their old rivals from Wahpeton with a humiliating defeat, during which Juelke piled up 190 yards and Kruger 107, while Berg was adding 138 on completed passes.

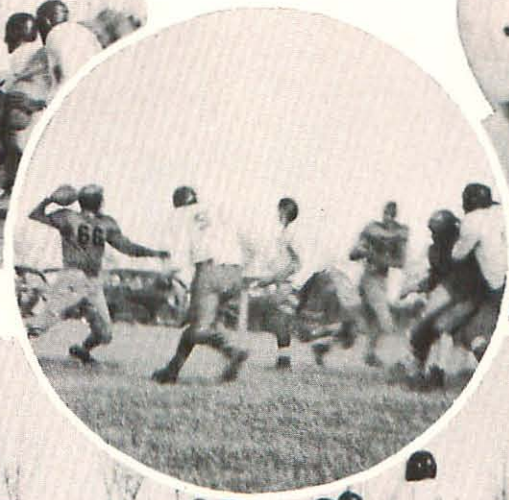

Twenty-two lettermen were named by Coach Slemmons at the season's end. They were Wayne Merrick, Charles Trei, Gary Schaible and Harold Wagemann, ends; Mark Rybus, Benny Lematta, Ray Griess and Art Parrow, tackles; Capt. Don Thorpe, Daryl Thorpe, Wilbert Thurn and Bill Bauder, guards; Orrin Morrow and Bart Slemmons, centers; Don Berg, quarterback; Connie Juelke, Gene Kruger, Wilfred Bauer and Bill Brown, halfbacks; Tony Davis, Warren Merrick and Ken Shockman, fullbacks.

Named by coaches to the all-conference team were Trei at right end, Don Thorpe at right guard, Berg at quarterback and Juelke at left halfback. Wayne Merrick at end and Rybus at tackle were given honorable mention.

## BASKETBALL 1947 - 1948

Although finishing in seventh place in conference standings, the 1947-1948 N-I basketball team provided potent competition for all opponents and knocked at least one of them out of consideration for the loop championship.

The Dusties won three one-point victories in conference play and defeated the Bismarck Junior College twice for a record of five victories in 19 games.

Although the Dusties won but few games during the season, they came in for their share of individual honors. Wayne Merrick landed in fourth place in conference scoring with 126 points in 10 games, while Don Berg scored 110 to take eighth place. In all games, Merrick counted 236, while Berg scored 200. Connie Juelke, who left the team to join the Birmingham club of the Southern Baseball League with two games left to play, scored 185 points.

At the close of the season, Wayne was placed at forward on the Fargo Forum's all-conference team. Coach Senn Slemmons was selected by the Bismarck Downtown Quarterbacks to coach the state college all-stars in their first annual charity game with the Bismarck Phantoms, and Berg was named by his teammates to represent the N-I on that squad. The all-stars lost, but the star of the game was the Phantom's Leo Lacher, four-time all-conference performer with the Dusties.

For their work during the season, Coach Slemmons awarded basketball letters to Wayne and Warren Merrick, Don Berg, Bart Slemmons, Connie Juelke, Gene Kruger, Bill Brown, Ramon Rime and Leroy Juelke.
